

# architectural heater

**KAWH**  
SERIES

**ALUMINUM / CORROSION RESISTANT**

*New Product!*

**FEATURES:**

- Standard color: white (-BW)
- Standard finish: epoxy/polyester powder paint
- 208V, 240V/208V, 277V, 347V, 480V, 600V, 1-phase
- Extruded aluminum front grille, 1/8" (3.2 mm) thick
- Bottom air outlet
- High-limit temperature control with automatic reset
- Closed, factory-lubricated motor
- 160 cfm fan (1.5 to 4.8 kW); 2 160 cfm fan (6 to 8 kW);
- Fan delay purges heater of residual heat (Any remote thermostat or relay must be connected to the heater control terminal block.)
- Durable tubular heating element with fins
- Built-in tamperproof thermostat included (32°F - 120°F)

**NOTE: Thermostat is not installed in heater with factory installed relay.**

- Standard 140°F wiring is sufficient
- Minimum clearance from the floor and adjacent walls: 10" (25.4 cm)
- 1-year warranty against defects

**The KAWH provides heavy duty elegance** in an architectural heater and quick heat in areas affected by cold drafts. Its corrosion-resistant aluminum front is offered in several colors. The appearance of the overall finish will not change over time. The control is hidden to avoid tampering. Powered by a closed factory lubricated motor, the fan blows warm air downward to create air circulation. Excellent for use in apartment complexes, commercial buildings, entryways, stairwells or garages.

**OPTIONS:**

- Optional Colors: almond (-AM)
- Special order colors: metallic silver (-AE), bronze (-BZ), metallic charcoal (-CM), textured black (-NR), beige-grey (-BG), aluminum (-AL), semi-gloss black (-NL)
- Sand (-SA), (10% upcharge applies)
- Anodized aluminum finish
- Adaptor for surface mounting

-NR	Textured Black color (10 % upcharge applies)
-AL	Aluminum color (10 % upcharge applies)
-SA	Sand

**CONTROL OPTIONS:**

MODEL	DESCRIPTION
Product no-RT	Factory installed 24V relay with transformer
Product no-R	Factory installed 24V relay without transformer
KAWH-DIS20	Factory installed disconnect switch 277V and less double pole 20A
KAWH-DIS40	Factory installed disconnect switch 600V max. three pole 40A
KAWH-IV	Factory installed fan switch

**ACCESSORIES:**

MODEL	DESCRIPTION
KAWH-BSA	Surface mounting box - 1500W to 4800W
KAWH-BSA2	Surface mounting box - 6000W to 8000W
