Subject: Important Notice: End of Server Connectivity/Support Announcement for Atmoz WIFI Line Voltage Thermostat

End-of-Life Announcement

After careful consideration, we have decided to discontinue Atmoz WIFI effective May 30th, 2025. This decision is part of our ongoing commitment to provide you with the best possible products and services.

Key Dates to Remember:

- End of Support: May 30th, 2025

Why Are We Making This Change?

As technology evolves, we strive to offer products that meet the highest standards of performance, security, and innovation. The new version of Atmoz WIFI, now called Hoot WIFI, offers enhanced features, improved security, and a better overall user experience.

What happens to my ATMOZ WIFI Thermostat?

Your current ATMOZ thermostat will continue to operate as a traditional thermostat. However, it will no longer have WIFI capabilities or receive updates or support.

If you wish to continue with a WIFI thermostat, you will need to upgrade to the Hoot WIFI thermostat.

Upgrade to Hoot WIFI

We understand that transitioning to a new product can be challenging. To make this process as smooth as possible, we are offering the following support:
