

## Assembler II

### Why you want this role:

- Friendly, supportive team with training available. Grow your skills and your career!
- You'll get to see physical results of your hard work every day in the parts your team creates.
- Upbeat work environment and a supportive Manager.
- Pay starts at \$18.75 per hour, based on experience, plus benefits, paid time off, 401(k) matching, and promotion opportunities.

### What you'll do as an Assembly Worker II:

- Use your experience and technical skills to spot quality concerns and resolve production problems quickly.
- Assemble heater components, sub-assemblies, and housings.
- Fit brackets, fasteners, and other parts onto structures.
- Connect wiring to and from control panels using tools.
- Use hand tools such as screwdrivers, wire crimpers, pliers, and tape guns.
- Use drills and other small power tools.
- Package finished products and stack onto a pallet to prep for shipping.
- Be actively engaged in Lean manufacturing and continuous improvement efforts.
- Be on-time for every scheduled shift - reliable attendance is a must!

### Requirements:

- 2-3 years of assembly experience.
- Good hand eye coordination.
- A desire to learn new skills and processes.
- Basic math skills and the ability to follow assembly instructions.
- Attention to detail and the ability to focus in a busy environment.
- Legal authorization to work in the United States.
- The ability to safely lift and move up to 50 lbs. and stand or walk for your full shift.
- Bonus points if you have past manufacturing experience.

### Hours, Pay, & Benefits:

- This is a full-time opportunity working 7:00am-3:30pm Monday-Friday, plus overtime.
- Pay starts at \$18.75 per hour, based on experience.
- Discounted premiums on medical, dental, and vision insurance through United Healthcare.
- 401(k) matching with immediate vesting – up to 4% match!
- Paid time off plus paid holidays.
