

Assembly Line Lead Job Posting

Why you want this role:

- Friendly, supportive team with training available. Grow your skills and your career!
- You'll get to see physical results of your hard work every day in the parts your team creates.
- Upbeat work environment and a supportive Manager.
- Starting pay is \$20 to \$21.50 per hour, based on experience, plus benefits, paid time off, 401(k) matching, and promotion opportunities.

What you'll do as an Assembly Line Lead:

- Meet daily production goals – have the right people and materials in the right place at the right time.
- Print the daily work orders and oversee the efforts of an assigned work line.
- Collaborate with other teams and departments to resolve any production delays.
- Participate in Lean Manufacturing exercises and training. Uphold and promote Lean principles.
- Regularly check the quality of finished products and ensure correct product packaging.
- Be actively engaged in Lean manufacturing and continuous improvement efforts.
- Be on-time for every scheduled shift - reliable attendance is a must!

Requirements:

- 1-2 years' experience in a hands-on assembly or production role.
- At least 1 year of experience leading a team of 5 or more people.
- Attention to detail and the ability to focus in a busy environment.
- Basic math skills and the ability to follow build diagrams or work order instructions.
- Lift and move up to 50 lbs. through an 8 hour shift.
- Read, write, speak, and understand English directions, documents, and safety rules.
- Bonus points if you speak a second language - Spanish, Thai, and Vietnamese preferred.

Hours, Pay, & Benefits:

- This is a full-time opportunity working 7:00am-3:30pm Monday-Friday, plus overtime.
- The pay range is \$20 to \$21.50 per hour, based on experience.
- Discounted premiums on medical, dental, and vision insurance through United Healthcare.
- 401(k) matching with immediate vesting – up to 4% match!
- Paid time off and paid holidays.
