

Sheet Metal Fabrication Worker

This is an entry-level position with no prior sheet metal fabrication experience needed!

Why you want this role:

- Friendly, supportive team with training available. Grow your skills and your career!
- You'll get to see physical results of your hard work every day in the parts you create.
- Upbeat work environment and a supportive Manager.
- Pay starts at \$18 per hour, based on experience, plus benefits, paid time off, 401(k) matching, and promotion opportunities.

What you'll do as a Fabrication Worker:

- Take a plain piece of sheet metal and help turn it into a working heater.
- Safely operate various equipment used in sheet metal fabrication, on the job training provided.
- Be flexible and move between different assignments or machines.
- Take direction and work independently with minimal supervision.
- Verify work orders and set up machines for production runs.
- Regularly inspect machinery, tools, and equipment for any maintenance or safety concerns.
- Be actively engaged in Lean manufacturing and continuous improvement efforts.
- Be on-time for every scheduled shift - reliable attendance is a must!

Requirements:

- Familiarity with basic hand tools, power tools, and measuring equipment (tape measure, etc.).
- Basic math skills and the ability to follow build diagrams or work order instructions.
- Attention to detail and the ability to focus in a busy environment.
- The ability to safely lift and move up to 50 lbs. and stand or walk for your full shift.
- Legal authorization to work in the United States.
- Bonus points if you have past experience working in a metal shop or manufacturing environment.

Hours, Pay, & Benefits:

- This is a full-time opportunity with various shift options between 6:00am-4:30pm Monday-Friday.
- Pay starts at \$18 per hour, based on experience.
- Discounted premiums on medical, dental, and vision insurance through United Healthcare.
- 401(k) matching with immediate vesting – up to 4% match!
- Paid time off plus paid holidays.
