

Sheet Metal Painter & Paint Line Operator

Why you want this role:

- Friendly, supportive team with training available. Grow your skills and your career!
- You'll get to see physical results of your hard work every day in the parts your team creates.
- Upbeat work environment and a supportive Manager.
- Pay starts at \$23 per hour, based on experience, plus benefits, paid time off, 401(k) matching, and promotion opportunities.

What you'll do as a Painter/Paint Line Operator:

- Prepare items for painting and load formed sheet metal or other parts onto the automated paint line belt using metal hooks.
- Use the correct paint types and mixes for each job.
- Apply enamel spray paint using a spray gun in a paint booth.
- Frequent quality control reviews and perform touch-ups as needed.
- Regular maintenance on all paint related equipment.
- Be actively engaged in Lean manufacturing and continuous improvement efforts.
- Be on-time for every scheduled shift - reliable attendance is a must!

Requirements:

- 2 years' experience painting sheet metal.
- 1 year of experience performing paint machine maintenance.
- Working knowledge of paint guns/sprayers, gravity fed and air pressurized spray systems, paint booths, and automated paint lines.
- Pass required medical review for safe use of a paint respirator.
- Wear a full paint suit and respirator up to 8 hours per day.
- Use a paint spray gun for up to 8 hours per day.
- Attention to detail and the ability to focus in a busy environment.
- Legal authorization to work in the United States.
- The ability to safely lift and move up to 50 lbs. and stand or walk for your full shift.

Hours, Pay, & Benefits:

- This is a full-time opportunity with various shift options between 6:00am-4:30pm Monday-Friday.
- Pay starts at \$23 per hour, based on experience.
- Discounted premiums on medical, dental, and vision insurance through United Healthcare.
- 401(k) matching with immediate vesting – up to 4% match!
- Paid time off and paid holidays.
