

Smart Heating Solutions

SmartWave

with Carbon IQ Heating Technology

What Exactly is CarbonIQ?

SmartWave's next generation carbon fiber technology has several advantages over traditional halogen and Quartz infrared heaters. More Heat with Less Light is just the beginning...

Simple. Fast. One-Person Installation.

“I just installed the 3-lamp unit by myself. It’s over 5 feet long and I was able to do it, which is amazing. I’ve installed dozens of radiant heaters as a professional installer and always needed an extra set of hands to help, so the benefit is great with SmartWave.”

– Ger. December 2022
