# Comprehensive Electric Heating Solutions for Every Space

Residential - Office Spaces - Retail - General Facilities

By understanding the distinct heating requirements of each space, we can unlock new opportunities to provide tailored heating solutions for mixed-use buildings.

## How To Heat Mixed-Use Buildings with Electric Heat

Entryways   Common Areas   Living Areas   Kitchens   Mechanical Rooms   Lobby   Office Spaces   Retail Spaces

Mixed-use buildings integrate multiple functions within a single structure, such as residential units, office spaces, and retail areas. This combination of uses can create vibrant, dynamic environments but also presents unique challenges, especially when it comes to heating.
