Smart Heating Solutions

SNOW MELT CABLE & MATS

For Commercial – Residential – Industrial – Government Projects

Install NOW to prevent slips and falls next winter by keeping surfaces clear of ice and snow, while also reducing plowing needs and minimizing the use of harmful de-icing chemicals.

Effective Snow Melting: A Guide to In-Concrete Electric Heating Cables

King's SC & SCM in-concrete electric heating cables automatically activate when snow or ice starts to form, efficiently keeping driveways, walkways, and parking areas safe and clear throughout the winter, eliminating the need for manual snow removal.
