Multiple Wattage
Garage/Shop
Unit Heater

950W to 5.7kW
120V, 208V, 240V Models
1 Phase

Pic-A-Watt
Steel Fin Element

KBP ECO2S Series

Multiple Wattage Garage/Shop Unit Heater

The KBP ECO2S series combines performance, energy efficiency, and user control with King’s built-in ECO2S electronic thermostat and remote temperature sensor. It offers 2-stage heating, Eco mode, fan-only and timer modes, and an easy-to-use hand-held remote control. Rugged and efficient, the flow-through design draws air in from the back and discharges it out the front, quickly heating large spaces. Integral fan delay maximizes heat exchange, and dual Pic-A-Watt steel fin elements provide flexible wattage options to meet any area’s needs.

Customer Needs

1. Reduce Energy Waste with Simple Control -

The built-in 2-stage thermostat with Eco mode, plus remote and timer, makes energy-saving comfort easy.

2. Flexible Installation: The KB ECO2S offers multiple mounting options and field-selectable wattages, making it adaptable to a wide range of spaces.

Features	Benefits
Built-in ECO2S Electronic Thermostat	Provides precise temperature control and energy-saving operation.
Remote Control with Timer & Fan-Only Mode	Adds convenience, allowing users to adjust settings from anywhere in the room.
2-Stage Heating with ECO Mode	Automatically uses the lowest wattage needed, reducing energy costs.
Integrated Fan-Only & Timer Modes	Offers year-round versatility and convenient scheduling.
Smart Limit Protection® Safety System	Ensures safe operation by requiring a manual reset after abnormal conditions.

Applications

- Garages • Workshops • Greenhouses • Utility Rooms • Barns or Agricultural Buildings
- Equipment Storage Areas • Light Commercial

KBP ECO2S Series Specifications:

- Smart ECO2S® Energy-Saving Design
- 2-Stage Heating: Automatically Uses Lowest Wattage Needed
- Thermostat Temperature Range: 40° to 95°
- Hand Held Remote Control & Wall Holder Included
- Timer & Summer Fan Only Modes
- Auto Memory Feature: Returns Unit To Last Settings After Power Outage
- Adjustable Louvers to Direct Ai
- Built-In Fan Delay To Dissipate Heat
- Dual Pic-A-Watt® Elements
- Patented Smart Limit Protection®
- Permanent Lubricated Unit Bearing Motor
- Universal Wall/Ceiling Bracket Included
- Proudly Made in the USA with U.S. & Global Materials

WARRANTY
5-Year Limited Warranty
