

Electric Heater Parts Instruction Sheet

Recessed Mounting Frame (ELx-FRxx) Installation Instructions

Kit Contents

- (1) Recessed Mounting Frame
- (6) #8 x 3/4" Self-Drilling Screws

ELx-FRxx
Recessed Mounting Frame

#8 x 3/4"
Self-Drilling Screw

WARNING	
	<p>DO NOT cover the appliance with insulation or any other material after installation. This may cause the unit to overheat, resulting in a fire, personal injury, or death. Always maintain clearances to combustibles as found on page 6 of the installation manual.</p>

Installation Instructions

- 1 Cut appropriate sized hole in ceiling as indicated for the series heater being mounted. (Refer to Chart 1).
- 2 To ensure a proper fit, insert frame into hole to see if any adjustments are required.
- 3 Slide frame around the body of the heater. Secure frame to heater using provided self-drilling screws (see Figure 1).
- 4 Lift the assembled unit into the ceiling and secure with appropriate lag screws (field supplied) (see Figure 2).

Chart 1 • Dimensions for Ceiling Cut-Out

Length	Lamp Qty.	Hole Dim. (L x W)
24"	1	27" x 12 1/8"
	2	27" x 17 7/8"
33"	1	36" x 12 1/8"
	2	36" x 17 7/8"
46"	1	49" x 12 1/8"
	2	49" x 17 7/8"
